DIEGO BOLLINI

Generalist & DevOps Practitioner

📞 +5493413656705 @ diego.bollini@protonmail.com 🔗 bolli.ar

📍 Rosario, AR

SUMMARY

Information Technology Generalist, formally working in IT since 2016. I learn by doing every day, searching and asking those who know what I don't know. These days I am studying devops, python and docker / kubernetes. I enjoy working in diverse and interdisciplinary teams.

EXPERIENCE

Platforms Coordinator

Arbusta

📅 03/2018 - Ongoing 📍 Rosario, Argentina

- Platforms, Helpdesk, Support, Sysadmin: Development of the area, documentation, OKRs definition.
- GSuite superadmin, Odoo implementation leader, Slack and git evangelist (among others), internal chatbot, implementation of endpoint monitoring tool, automated maintenance, scripts, software installation, etc.
- Servers maintenance: Wordpress, Redmine, Bookstack, Unifi drivers.
- Manage DNS, domains, first CI / CD attemps, support digital transformation for other staff teams.

Project Manager

Arbusta
